Brand	Veenhuis
Breedte	12m
Bouwjaar	2014

Veenhuis Euroject 1200

A yellow excavator is shown from a rear-three-quarter view, parked on a concrete surface. A large, disorganized pile of various cables, hoses, and wires is attached to the back of the machine, extending upwards and outwards. The excavator's arm and bucket are visible on the right side. In the background, there is a green field, a line of trees, and a blue sky with scattered white clouds. A red metal structure is partially visible on the right edge of the frame.
